

# FELBRY FOCUS

Felbry College-School of Nursing

Fall 2017  
Edition 1, Volume 2

## HELPFUL HINTS AND INFORMATION

This semester is moving right along! Can you believe we have almost reached the half way mark? Congratulations to everyone on all your hard work and commitment to your future! We are proud of you! We know that this program is not easy, but we believe in each of you and we are all here to help you in any way we can. Never be afraid to ask for the help you

need! Believe in yourselves and believe in each other. We encourage you to build friendships and build a support system here at school. Form study groups, quiz and test each other, help each other, and don't forget to work in a little bit of fun. (During break-time, of course!)

please email Brains from your personal email account, make sure to include your name and Felbry email and request a link to reset your password: [bbanda@felbrycollage.edu](mailto:bbanda@felbrycollage.edu) .

HINT: Get to know your Course Numbers! This will make life much easier for you. When looking at a schedule or emailing and Instructor, we usually refer to the course code. For example, if you needed to have Fundamentals added to your CANVAS

## COLLEGE CATALOG

Please make sure that you have taken a moment to go over the College Catalog that is provided on our website, [www.felbrycollege.edu](http://www.felbrycollege.edu) . Here you will find things like the uniform policy, attendance policy and student code of conduct. You will almost always find the answer you are looking for. If you find it confusing in any way just ask one of the staff members and we will look at it together.

account, your email would say: Please add NUR 101. Please make sure that you specify if you are in a day or evening class. Please note you can find all course codes on CANVAS, on your schedule and in the catalog.

### **EMPLOYMENT**

Are you looking for a job? If so, please see Abbey and she will help you start the process. There are several Employment Events Scheduled at the college in November. If you have an upcoming interview and you are nervous or would like some pointers on interview skills, please see Abbey or Mr. Julian. They would be happy to practice with you. ESL WORKSHOP: Felbry offers an ESL Workshop every Monday from 2-4 pm. If language is something you feel is holding you back PLEASE try to attend. This workshop is offered free of charge and it is in place to help students successfully complete this program.

### **EVENTS**

We will be scheduling another trip to Westerville Public Library after mid-terms. This event is free. It is full of information on study resources, helpful pointers for those who may not be the best with technology. They also have resources they can share regarding finding textbooks at no cost and so many other opportunities. This Event is so full of information that will help you through this program and any other you may enter as you continue your education. Dates for this will be announced soon.

Students are required to be in uniform for all student events on and off campus \*

### **LAB PRACTICE**

Did you know that the Skills Lab is available for you to practice? Take advantage of this time if you are able!

OPEN LAB HOURS: Monday- 10:30-1:00

Tuesday- 3:15-5:00

Thursday-10:45-11:45

### **NCLEX**

Preparation for the NCLEX should begin day 1 of your program. Here are some helpful links to get you started:
